MEMORANDUM FOR BRUCE KEHRLI

We would like to accommodate Howard Hunt on  
the attached and would like to do it right away  
and then totally drop him as a consultant so that  
1701 can pick him up and use him.

Howard has been very effective for us, but his  
most logical place now is consulting 1701. The  
attached could be a major problem and we would  
like to do everything we can to accomplish this  
and help him in this way. Please let me know.

Dear Passenger:

We hope you are enjoying your trip.

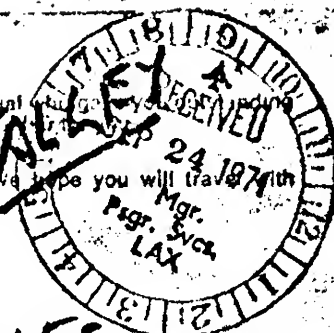

If your journey has been pleasant, we would like to know about it. If we have failed to live up to your expectations we hope you will tell us why so we can do better next time.

We are constantly seeking ways to improve our service. Please let us have any suggestions you may have.

Also, give us the name of any individual who gave you good service so that we can commend him or her.

We are glad to have you aboard. We hope you will travel with us frequently.

Sincerely,

Bunny

Dear Mr. Mullins

I have now flown two flights on American 747's. On both flights I have come to the conclusion that male flight directors are among your liabilities.

On this flight I have learned that one of your finest assets is Sleeverhead MARDON JONSON (Flight 32 - LAX to N.Y. 9-4-71). She repaired the damage done by your flight directors.

Mr. Mrs. Miss

MEMORANDUM FOR BRUCE KEHRLI

We would like to accommodate Howard Hunt on the attached and would like to do it right away and then totally drop him as a consultant so that 1701 can pick him up and use him.

Howard has been very effective for us, but his most logical place now is consulting 1701. The attached could be a major problem and we would like to do everything we can to accomplish this and help him in this way. Please let me know.

1/14/72

Dear Jack:

I received your letter with far more regret than surprise, and understand your reasons fully - I think.

George and I appreciate the trouble you went to on our account, and for my part it was rewarding to see an old and valued friend. I assume your verbal offer to cooperate peripherally still holds, and so may ask you to go my bona fides with the retiree you interviewed, should the occasion arise. Naturally, I would be glad to compensate for whatever of your time might be involved.

Business aside, let me remark that you are involved in a demanding project which I hope will materialize. Given the rather panoramic character of past grants by OE and OEO, your project ought to win out on merit alone. Obviously, you've put in a great deal of thought and time on it, and to me at least it makes sense.

So, as the sun dips low over the far shore of Lake Dot, your old comrade-in-arms takes leave of his somewhat younger buddy and once again attains low visibility in a land where high profile is what usually counts.

Best,

*Howard*

MEMORANDUM FOR BRUCE KEHRLI

We would like to accommodate Howard Hunt on the attached and would like to do it right away and then totally drop him as a consultant so that 1701 can pick him up and use him.

Howard has been very effective for us, but his most logical place now is consulting 1701. The attached could be a major problem and we would like to do everything we can to accomplish this and help him in this way. Please let me know.
